

Memberships are open to companies service providers, academic institutions, Government, non-profits and students. Members should have an active presence in Northeastern Ontario. Our membership rates are dependent on the size and type of your organization.

We are helping our members access information on regional technology projects, trends and issues as well as locating financial support for infrastructure and training. Our members include leading technology and telecommunications consumers and suppliers in Northeastern Ontario, but you do not have to be a large corporation or public institution to join. NEONet facilitates ICT projects that strengthen adoption of technology to remain competitive and build our economy. We recognize that there is still more work to be done and we look forward to working with you to accomplish our regional ICT goals – become a 2023 member today!

As a NEONet member, your business or organization can benefit from membership perks such as;

- Digital Skills Training
- Member News
- ICT/Broadband Advocacy & Policy
- Boardroom Rentals
- Member Exclusive Offers
- Networking Events
- Advertising
- Municipal GIS projects
- Technology Assessments
- And more!
